Feb 19 - Musk's DOGE is Not Auditing Funding for Israel

February 19, 2025

Please send links and comments to hmakow@gmail.com

The US Treasury has been an ATM for globalists and Communists. American are elated that Trump/Musk have put an end to this. But one area not getting scrutiny is US financial support of Israel. Since WW2, the US has given Israel over $300 billion. In order to make Genocide Great Again, Israel has received over $35 billion in US military aid since Oct. 7 2023. The reason that Trump/Musk have put US spending on a strict diet is to free up more funds for Greater Israel.

Trump is winding down the Ukraine war for the same reason.

Similarly, the restoration of national self-interest and common sense is designed to garner support for a confrontation with Iran and its allies.

Where is the anti-war movement? The 1960's opposition to Vietnam war was completely astroturfed.

JD Vance decries the end of free speech in Europe.

The billion dollar question is: Will free speech continue to apply to opposition to US support for Israel's genocide?

DOGE Finds $4.7 Trillion In Virtually Untraceable Treasury Payments

https://www.zerohedge.com/political/doge-finds-47-trillion-virtually-untraceable-treasury-payments

"The Elon Musk-led Department of Government Efficiency (DOGE) on Monday revealed its finding that $4.7 trillion in disbursements by the US Treasury are "almost impossible" to trace, thanks to a rampant disregard for the basic accounting practice of using of tracking codes when dishing out money.

Mind you, it's not as if such a federal tracking system wasn't already in place -- it simply went casually unused for all sorts of payouts adding up to an almost unfathomable $4.7 trillion. Without Treasury Access Symbol (TAS) identification codes associated with those payouts, there's little hope in figuring out where all that money went."

The savings came from a combination of fraud deletion, contract and lease cancellations and renegotiations, asset sales, grant cancellations, workforce reductions, programmatic changes, and regulatory savings implemented across federal agencies, according to DOGE's website.

This time, with Bird flu, the pandemic planning bioterrorists are indirectly blackmailing us by targeting our food, in order to coerce us to accept more of their unsafe and ineffective vaccines into our food supply and those who supply it.

Here is their playbook. Learn it, and you can understand how to put an end to it.

"While we must certainly be most grateful that President Trump is truly at war with the "Deep State" it will never be enough to save us from the rise of Anti-Christ who will occupy both the "Holy Temple" in Rome (Matt. 24:15, 2 Thess. 2:4) and Jerusalem (Rev. 11:8), which will have earned the name of ancient "Sodom" and ancient pagan "Egypt."

True Catholic followers of Christ and their priests will be thrown out of their churches. And as Benedict said in 1969 in his last radio broadcast long before his election as Pope "The Church is in such a state that it will seem like it will have to start over." Non-Catholic believers will also have to flee their own apostate churches. There, finally, in a true spirit of humility, will we be able to understand, receive and welcome these believers who had lived separated from so many wonderful divine truths which we had often obscured by too much carnal thinking and practice. The pride on both sides that has led to so much division will have vanished. We will again be united into the one true fold of Christ."

In 2003, Wolfgang Eggert Predicted Chabad Would Start WW3

February 18, 2025

(Trump with his spiritual leader, Menachem Scheerson)

Twenty-two years ago German historian Wolfgang Eggert warned us that the Rothschilds belong to a fanatical doomsday cult that is instigating a world war to cleanse the world of non-Satanists.

Historian Predicted Cabalist Plot to Exterminate Goyim in 2003

is reproduced below.

Lubavitcher *tzaddik* Menachem Schneerson (1902-1994) said Chabad Cabalists (Illuminati) would implement Biblical prophecy of Armageddon in order to hasten the return of the Messiah and establish Jewish supremacy.

"All human history is about Messianic-satanic Judaism ("Chassidim"); they´re "making" it happen. History and politics are a big movie, and they are the directors, bringing old-testament-prophecy into reality."

Related- Kabbalists Publicly Discuss Their Plot to Kill Millions

Trump, Putin and Netanyahu all belong to Chabad. World wars are hoaxes to destroy and depopulate. Freemasons are on both sides. None are so blind as those whom refuse to see.

Updated from 2003

by Henry Makow Ph.D.

A Munich-based historian Wolfgang Eggert believes orthodox Jews called *Chasidim* want to instigate a nuclear holocaust to fulfill Biblical prophesy.

He thinks these religious fanatics must be exposed. The largest Chasidim group, the Chabad Lubavitcher sect want to hasten Armageddon which they believe is a prerequisite for the Messiah's return. Eggert quotes a Lubavitcher rabbi who says:"the world is waiting for us to fulfill our role in preparing the world to greet Moshiach" (i.e. Messiah.)

(Wolfgang Eggert, left)

"All human history is about Messianic-satanic Judaism ("Chassidim"); they´re "making" it happen. History and politics are a big movie, and they are the directors, bringing old-testament-prophecy into reality. They captured Freemasonry by building up the Illuminati (through Rothschild/Jacob Frank/Weishaupt); they made a pact with the British monarchy when they financed William III to become king; they placed the

British royals at the head of the Freemasons; they made the modern banking system and the Fed (through Rothschild); they made Zionism, the world wars, the European Union and so on. They reign through their puppets Rothschild (whose ancestors had been part of the Chassidic cult) and Rockefeller, who were the guiding force behind Bilderberg, the trilateral etc. We are now in the "End Times"; they are trying to foment a "prophesied" Third World War.

Eggert believes both Germany and Israel are in the Chasid cross-hairs. "Germany, because the Hassidim are reading from the Bible/Talmud, that this country is an enemy of the Jews and must be killed. Israel has to burn for bringing the prophecy of Armageddon into reality. In addition, they are repeating a Machiavellian, strategic "trick": the sacrifice of the European Jews in the Second World War ("shoah") which brought them their own country- Israel. The sacrifice of the Israeli Jews shall bring them the international approval to be masters of a united world "republic", that will be governed from Jerusalem, which, again, is being "prophesied," by Jahwe."

CHRISTIAN FUNDAMENTALISTS

While the Chabad Lubavitchers are his focus, Eggert is also concerned about Christian Evangelists like Jack Van Impe, left, and Timothy LaHaye who believe war is the will of God. *The Books of Ezekiel*, *and Daniel in the OT*, and *Revelation* in the New Testament prophesied Armageddon. Their desired scenario includes the destruction of the al-Aqsa mosque, the restoration of the Third Temple on its site; the rising to heaven of the 144,000 Chosen Ones; the battle of Armageddon; **mass death among Israeli Jews** and the Final Coming of Jesus Christ.

(Trump met with Chabad leaders last Monday March 26)

If you look, you can find pictures of many major politicians in the West posing with this sect. This website features more than a dozen of them. In this YouTube, the Chief Rabbi of the Chabad boasted of his rapport with Vladimir Putin. Eggert says Putin's mother is Jewish, which makes him Jewish, and that President Medvedev is Jewish on both sides.

Eggert, who studied History and Politics at universities in Berlin and Munich, is the author of eight books on hidden history. While he believes that modern history is dominated by the Cabalistic plot to fulfill Biblical Prophesy, he is careful to distinguish between the Lubavitchers and other Chasidim called "Satmar" who think it is a crime to "force God's hand" and "hasten the redemption."

However, the Lubavitchers seem to be in control.

"Every part of modern history is linked to another and in itself to Zionism, state intelligence, lodges and alike. Without the Balfour declaration, there would have been no revolution in Russia and no American entry into World War One ... We may start at any historical point (even with the American revolution or farther back Oliver Cromwell) [and] we´ll see, that the maker (or profiteer) of all this is Cabalistic Judaism. All serve their plan, to implement biblical prophecy."

Eggert cites World Zionist VP Max Nordau's speech at the 1903 Zionist Convention predicting "a future World War [and] peace conference where with the help of England a free and Jewish Palestine will be created."

(Eggert, *"Israel's Geheimvatikan"* Vol.2, pp.21-22)

He says the Zionists sabotaged Germany in WWI (strikes, revolts) because it wouldn't play ball on Israel. He cites a book in Hebrew, "*The Historical Moment"* by M. Gonzer: "We even find nations who are slow on the uptake and who find it difficult to understand certain relations unless the Rebbe--that is world history--gives them some sensible bashes which make them open their eyes." (*Israel's Geheimvatikan,* vol. 1, p.47.)

Today (June 3) Eggert cites James Forrestal's diary saying Jewish bankers forced England into WW2----

December 1945 Pg. 128-129
Played golf today with Joe Kennedy [Joseph P. Kennedy, who was Roosevelt's Ambassador to Great Britain in the years
immediately before the war]. I asked him about his conversations with Roosevelt and Neville Chamberlain from 1938 on. He said Chamberlain's position in 1938 was that England had nothing with which to fight and that she could not risk going to war with Hitler. Kennedy's view: That Hitler would have fought Russia without any later conflict with England if it had not been for Bullitt' s [William C. Bullitt, then Ambassador to France] urging on Roosevelt in the summer of 1939 that the Germans must be faced down about Poland; neither the French nor the British would have made Poland a case of war if it had not been for the constant needling from Washington. Bullitt, he said, kept telling Roosevelt that the Germans wouldn't fight, Kennedy that they would, and that they would overrun Europe. Chamberlain, he says, stated that America and the world Jews had forced England into the war.

First Comment from Dan Butler:

The Chabad Lubavitch sect was a spinoff of Baal Shem Tov's (c1700-1760) Hassidic movement. Non-Jewish Americans think its a minor 'denomination' of Judaism. In fact, it's the largest Jewish religious organization in the world. It has centers in every important city on Earth. They're as active at recruiting as Scientology or Krishna Consciousness and employ similar inducements. Consequently, they're the fastest growing Jewish religious group as well.

As with the other theocratic juggernauts that move lots of people and money under the cloak of religion, they interlock with the world's consortium of organized crime. There have been many spectacular arrests for such charges as international narcotics, weapons and human trafficking, and of course money laundering. As with the Vatican's international money laundering and pedophile network, nothing sticks.

Netanyahu and the Rebbe Schneerson, 1990.

After exchanging amenities Netanyahu said; "I come to ask your blessing and your help. In all areas, political and personal." The Rebbe replied, "Since last time we met many things have progressed. What hasn't changed however is Moshiach still hasn't come. So do something to hasten his coming." Netanyahu; "We're doing. We're doing."

The Rebbe and Bibi Netanyahu: Politicians For Redemption

Reminds me of scenes from the Godfather. They weren't making small talk. The Rebbe was anxious. It's a Hasidic belief that every generation of Jews has a potential Moshiach who will become THE Moshiach if that generation becomes worthy. That man is known as the Tzadik Ha-Dor, meaning Tzaddik of the Generation. Lubavitchers believed it was "the Rebbe" Menachem Mendel Schneerson. Since he died in 1998, they're waiting for the new generation's Tzadik Ha-Dor to appear and bring on the Messianic Age.

What is the Messianic Age? Yossi Gurvitz explains what it means from the Talmud, here: When Israel Is Mighty

Feb 17 - Argentina's Milei in Pump-and-Dump Scam

February 17, 2025

Please send links and comments to hmakow@gmail.com

Argentine lawyers filed fraud charges against President Javier Milei in criminal court on Sunday for promoting a cryptocurrency on his social media, one of the lawyers told The Associated Press.

https://www.politico.com/news/2025/02/16/argentine-lawyers-charge-president-with-fraud-over-cryptocurrency-promotion-00204575

On Friday, Milei posted on X about $LIBRA, a coin that he said was aimed at "encouraging economic growth by funding small businesses and startups."

He deleted the post a few hours later and the value of the currency collapsed, causing millions of dollars in losses to its brief investors, according to financial site Dexscreener.

The coin, developed by KIP Protocol and Hayden Davis, could be obtained by accessing a link that directed users to a website called vivalalibertadproject.com, referring to the well-known phrase with which Milei closes speeches and messages on his social media.

The President's Office said in a Saturday statement that Milei was not involved in any stage of the cryptocurrency's development and decided to remove the post to avoid speculation and limit further exposure, following the public reaction to the project's launch.

Jonatan Baldiviezo, a lawyer and one of the plaintiffs, told the AP that they saw an illicit association to commit "an indeterminate number of frauds" in the episode. "Within this illicit association, the crime of fraud was committed, in which the president's actions were essential," he said.

Hannibal Directive- Ex IDF Chief Gallant admits Israel Killed its Own Citizens (to advance case for exterminating Gazans)

The Israeli newspaper *Yediot Ahronot* reported in January 2024 that at midday on 7 October, an unambiguous order was given from the high command of the Israeli military to invoke the Hannibal Directive across the entire region.

The order came "even if this means the endangerment or harming of the lives of civilians in the region, including the captives themselves," Israeli journalists Ronen Bergman and Yoav Zitun reported.

In July, Israeli newspaper *Haaretz* reported that the order "not a single vehicle can return to Gaza" was issued to the Gaza Division of the Israeli military at 11:22 am that day. But Gallant's new statement is highly significant, as the first public admission by a contemporary Israeli minister that their troops were ordered to fire on their own people on 7 October.

Feb 16 - When Will Stock Market Bubble Burst?

February 16, 2025

Please send links and comments to hmakow@gmail.com

Back in the 20th Century, we had a saying that when the shoeshine boy is giving you stock tips, it's time to sell. We now have this ten-times-over where social media is full of stock gain promises and get-rich-quick schemes. They goyim have learned that buying and selling beats working for a salary.

The US has doubled the money supply in the last ten years from roughly $16 trillion to more than $32 trillion. This is more than the accumulated US debt until 2010. It has resulted in massive inflation as well as a stock market bubble and an explosion of crypto currencies. AI stocks with huge losses have market caps in the billions.

Will the stock market bubble burst? Thomas Stone doesn't think so.

US Debt Crisis Unlikely

https://www.terminaleconomics.com/2025/02/16/what-would-a-us-debt-crisis-look-like/

"But US sovereign debt is unlikely to become a crisis, according to a paper released last week by economists at the Brookings Institution, a think tank. By "crisis" they mean "a sudden, large and sustained downturn in demand for Treasury securities." The paper lays out four scenarios in which that could happen, and concludes that none of them is likely."

Thomas Stone- Government spending to accelerate as war approaches, despite what the alt-media think

https://www.terminaleconomics.com/2025/02/15/government-spending-to-accelerate-as-war-approaches-despite-what-the-alt-media-think/

"I suspect the Trump regime is receiving orders to gut the public sector and hand it over to the private hands of the synagogue-controlled bankers, who work through their private corporations.

Unfortunately, the amount of federal government spending cuts is relatively inconsequential. Moreover, there will still be spending, except it will be shifted over to the private sector and run as a profit center. Cutting a couple hundred thousand jobs from federal government payrolls is not going to solve anything. The increases in defense spending over the next few years will dwarf any DOGE headway and progress towards streamlining the Federal government's finances.

To wit, take a look at the growth in the money supply and the ballooning Federal budget deficits. Oy vey...

I don't know what the stated catalysts will be, nor do I know its exact timing, but the Federal Reserve will have to begin resorting to some sort of QE type of federal government subsidized spending once again."

Carney continued: "my weakness as a politician is I've not been a politician. So I didn't go straight into, as you observed, the killer."

Reader--"Nothing to see here...

Just a global constellation of satellites that no country has really complained about -- even as far as to launching more -- and in spite of in 2022(g) US signing Starlink to a MIL project StarShield -- nope, nothing to notice...

Sure would be useful for a global digital ID...

This is ALL Starlink, not every satellite there is. This is Starlink ALONE and growing up to 14,000 by 2027(g) which is a deadline for phase 1

There is a SINGLE GLOBAL SATELLITE NETWORK constellation covering the globe and what, you think its about giving internet to people in RVs or on cruise ships? Who are you shilling for?

Mike Stone - Trump's Revenge is Sweet!

February 15, 2025

"Consider the scope of this. Thousands of six-figure-earning, Deep State criminals, who have done nothing but bleed the country dry and make your life miserable, mocking you the entire time, are now out of a job and can't afford their house payments. (I suppose they can file for unemployment. Or learn how to code.) Those firings have led to an exodus in Washington D.C. and nearby Arlington, Virginia with over 14,825 new housing listings. It's like rats fleeing a sinking ship."

(henrymakow.com)

It's amazing what we're seeing with Donald Trump back in the White House, but it's not surprising. This is what "drain the swamp" looks like and the criminality is far worse than what most of us could have ever imagined. Thousands of criminals (government employees) have been sacked, with more soon to follow.

Consider the scope of this. Thousands of six-figure-earning, Deep State criminals, who have done nothing but bleed the country dry and make your life miserable, mocking you the entire time, are now out of a job and can't afford their house payments. (I suppose they can file for unemployment. Or learn how to code.) Those firings have led to an exodus in Washington D.C. and nearby Arlington, Virginia with over 14,825 new housing listings. It's like rats fleeing a sinking ship.

Meanwhile, Google searches for "criminal defence lawyer" are three times higher in Washington, D.C. than anywhere else in the country. Other Google search terms that have exploded in Washington are "wipe hard drive" and "offshore bank."

President Trump is following up on his promise to end the Russian/Ukrainian war. Negotiations are under way and the midget Zelensky is on his way out.

Trump has tasked Anna Paulina Luna with declassifying the Jeffrey Epstein client list, the JFK assassination files, the government UFO files, and more. Luna (my neighbor says, "She's hot!") has already publicly stated that the Warren Commission Report on the JFK assassination is a fraud and that multiple shooters participated in the assassination.

Those of us have studied the issue have known for a long time that there were multiple shooters in Dallas that day and that Lee Harvey Oswald wasn't one of them. However, to publicly state as much was grounds for termination from one's job and calls for psychiatric evaluation. Just bringing the topic up among friends would get you ostracized from polite company. That went on for decades. Remember the uproar over the film JFK?

Professional gatekeepers like Sean Hannity and Dennis Prager would ridicule, refuse to engage, and hang up on anyone who dared to suggest any type of government involvement or coverup in the assassination. To hear a government spokesperson finally admit the truth is simply astounding. Is Dennis Prager or anyone else going to apologize to the public for lying to them all these years? Don't hold your breath.

Time will tell if the American people are told the truth about Israel's involvement in the JFK assassination, or who's really on Epstein's client list, or that space aliens do not exist, but the creation of Luna's task force is a good start.

Robert F. Kennedy, Jr. is our new Director of Health and Human Services. Did you ever think you'd see a Kennedy wielding this much political power? Kennedy has promised to get fluoride out of our water and dangerous vaccines out of our kids. Surprisingly, many are opposed to this. Their brains are so vaccine-addled and they've drunk so much fluoridated water that they've lost the ability to think rationally on any subject. They are truly mentally deranged. Speaking of which . . .

Trump has closed the door on trannyism by signing an Executive Order making it illegal to chemically and surgically mutilate children. He's made trannyism unfashionable and sent the freaks back into the closet. Naturally this has sent trannies and their virtue signaling supporters (all liberal White women) into a tizzy. They no longer have permission to sexually molest and mutilate children, or the legal right to force others into affirming their mental illness.

Granted, not all Americans are down with what Trump is accomplishing. Criminal Deep Staters, along with virtually everyone in the Democratic Party and their braindead followers, are panicking right now.

There are also black pill doomers who won't give Trump credit no matter what he does. Doomers spend their time making themselves miserable and virtually all of them are incels. If you think that's a coincidence, I have a bridge in Baltimore I'd like to sell you.

To analyze the situation accurately, pay attention to what Trump does, not what he says. Doomers will take a statement Trump makes and fly into a spittle-flying, TDS induced rage, without ever realizing that Trump often does the exact opposite of what he says.

It's also important to take into account the big picture. There are many credible and highly respected researchers who believe we are going to war with Iran. I don't believe that for a second. In fact, I'm willing to bet on it. I'm willing to bet a LOT on it, and don't forget, I'm the guy who told you to "bet the ranch" on Trump to win the November election when his offshore odds were +140. If you took my advice, you won a bundle.

As I type these words, there is no credible evidence that we are goibg to war with Iran. At least I haven't seen any. If we do go to war with Iran, I'll take it all back. But until we do, I'm willing to give Trump credit - a lot of credit - for what he has accomplished so far.

Why Do Illuminati Reveal Their Agenda?

This article was written long before the scamdemic but it's a reminder that these conjurers have been gas lighting us for a long time. **They engage in cognitive dissonance by revealing the truth and then denying it.** They'll tell you all about Agenda 2030 (left) but this information never makes it into the MSM. They tell you about depopulation, "vaccine" genetic modification and transhumanism. *They want our complicity.* **You knew and did nothing.**
or crashed at Shanksville. They want us to compromise ourselves by accepting these lies and not seeking justice for the victims. Thus, by our passivity and cowardice, morally we become their accomplices, practically collaborators. Call it Stockholm Syndrome?

From 9-11, let's fast forward to the 2018 "Valentine's Day Massacre" in Parkland Fl where they dropped a plethora of clues that this was another hoax. There is video of the cop-shooters yMHpU3vMzuRJCTWK.mp4 **exiting the school despite the advertised fact that cops were told not to enter. As in the Las Vegas mass shooting, the surveillance video has been suppressed.**
A reader, Marco suggests the reason:

In regards to your question "How can anyone fall for this hoax? Is the US a nation of rubes?"

It requires the suspension of reason because it isn't believable to a reasoning and rational human being.

One has to participate in their own deception in order to believe it.

I think that may be what they want. By conjuring up these events that are unbelievable to a rational and reasoning person, they force us to participate in the lie and our own destruction.
The hardest thing in the world right now is staying true to yourself, and not deceiving yourself.

That's the way I see it. ***They need us to be active and lifelong participants in this massive lie. If we can continually suspend our reason and deceive ourselves, we control and police ourselves for them. We are our own slavers.***

The hardest thing right now is just staying conscious to this all and remain sane.

It would be so easy to just let go and allow the currents of change and this world carry the mind and soul away.

Another explanation is gas lighting- "Gas lighting is a form of manipulation that seeks to sow seeds of doubt in a targeted individual or in members of a targeted group, hoping to make them question their own memory, perception, and sanity." (Flat earth is a prime example.) Satanic possession is about turning reality upside down so evil is good and false is true.

Another explanation is that the Jewish Zeitgeist is an Egregore -- like a pool player pointing to a hole and nailing it.

by Henry Makow Ph.D.

The Illuminati don't just want your children, your spouse, your property, and your freedom.

Your birthright isn't sufficient for these Satanists. They want the ultimate prize. *They want your soul*.

They tell us about the conspiracy because they want us to be *compromed*. Just as lower-ranked Freemasons or ordinary Jews or Americans or Europeans are compromised by their support for war. They want us all to become demons.

They are deliberately clumsy because *they want our complicity*. They don't want us to say, "Gee, we didn't know."

(Hiding in plain sight)

They have a wager with God. They can win us over to Lucifer. But they have to give us *free will*, the ability to make a choice.

That's the reason they reveal the conspiracy to us. For example, the Rockefellers sponsored the John Birch Society. Their publication, *The New American* is still one of the best sources of information about the elite conspiracy. This controlled opposition has other functions. They are able to steer the blame and make sure no real resistance ever develops.

This is why many websites like mine function with little difficulty. *They want everyone to know.* Some other websites may actually receive support from the Illuminati.

Ralph Epperson, author of *The Unseen Hand* (1985) has been teaching about the New World Order since the 1980's. He told me that he had never encountered any push-back from the Illuminati.

THE DEVIL'S ADVOCATE

In the movie, *The Devil's Advocate*, based on the novel by Andrew Niederman and produced by Arnon Milchan and Arnold Kopelson, the devil (Al Pacino) tells Kevin Lomax, the ambitious lawyer played by Keanu Reeves: "**I only set the stage, free will, you pull your own strings!"** (Watch on YouTube)
He shows Kevin that he cannot blame anyone but himself. Kevin was driven by his own egotism and venality. He abandoned his wife in her hour of greatest need, and she committed suicide. He got many guilty people acquitted because he "never loses."

Then the devil provides us with the Luciferian manifesto: Essentially it is the belief that man is defined by his carnal appetites and desires (greed, power, lust) rather than by his soul and spiritual ideals (truth, justice, beauty.) **Man serves Lucifer by giving in to these temptations, *by being an accomplice in his own destruction.* The Illuminati promotes indulging our base instincts calling this "sexual liberation" and "open marriage." This undermines the family. Their psychology always has been against "repression" (i.e. self-discipline.) This view that man is God, and his wishes are the measure of all things, is called "Secular Humanism" aka "Luciferianism".**

Cheating in Early Votes is Off the Charts

Bigger Text | Default Text | Smaller Text |
October 31, 2024

Here we are, only two weeks into early voting

to select the next president, and already

the cheating is off the charts.

By Mike Stone

(henrymakow.com)

Ballots in Wisconsin, Virginia, and other states have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. https://www.thegatewaypundit.com/2024/10/third-county-pennsylvania-finds-fraudulent-mail-ballot-request/

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

https://www.thegatewaypundit.com/2024/10/frustration-boils-as-pennsylvania-voters-witness-non-english/

Voting lines in Republican counties have been shut down early:

https://www.thegatewaypundit.com/2024/10/voter-suppression-bucks-county-emergency-services-shuts-down/

A Pennsylvania GOP committeewoman was handcuffed and arrested for telling frustrated citizens to stay in line and vote: https://www.thegatewaypundit.com/2024/10/breaking-pennsylvania-gop-committeewoman-taken-away-handcuffs-encouraging/

And an ABC news station aired a "test result" showing Harris winning Pennsylvania by a margin of 52%-47%: https://www.thegatewaypundit.com/2024/10/interesting-timing-local-abc-news-station-mistakenly-leaks/

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands: https://www.americanthinker.com/articles/2024/10/does_georgia_s_algorithm_assisted_massive_documented_election_fraud_r

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this.
https://x.com/i/web/status/1851356742044491854

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024

Reply from Savvy Granny

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

Remember the French Revolution, [which alone we call 'Great' in some translations]for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.
